

RIDGEWOOD BASEBALL & SOFTBALL ASSOCIATION

Fall Recreational Baseball and Softball 2020

September 1

Dear Parents, Coaches and Players,

We are excited to announce RBSA will offer a Fall Recreational Baseball and Softball Season. In this unprecedented year, and with the loss of the spring recreational season, we wanted to offer the kids one last chance to take the field in 2020. Given the short notice and unknown demand, Fall Baseball will be limited to Ridgewood students currently enrolled in first through sixth grade and Fall Softball will be limited to first through eighth grade. Leagues, teams and schedules will be shared as soon as we have a better understanding of the player count. The intention of Fall Ball is a balance between instruction and competition beginning the week of September 14, running through the end of October pending weather and field availability.

Player and coach registration are now open in Community Pass. The player fee for Fall Ball is \$99 with a prorated refund if the season is paused or cancelled related to COVID-19.

The RBSA is a volunteer driven organization. For this program to be successful we need two things, register before September 13 and volunteer to coach / assistant coach.

All teams, players and coaches will follow the RBSA COVID Plan as outlined for the travel season. Players on travel teams will not be required to enroll in Fall Recreational Baseball and Softball.
